

Advertising Opportunities at Pinecrest Swim Club

Pinecrest Swim Club is a membership based recreational club that offers summer sun and water fun in a beautiful, secluded setting in Xenia. Hundreds of local families have enjoyed swimming, sunbathing, social activities and swim team membership at Pinecrest over the past several decades. Many of our families are third and fourth generation members. This is a tradition that we need to preserve for our families and our community.

We are providing you with an opportunity to help us preserve this tradition for our club and our community as well as promoting your business at the same time. Your sponsorship will allow us to make capital improvements that are much needed: such as tables and chairs, lounge chairs, umbrellas and building upgrades. After all we are 69 years old! We would love to fill our pool area with advertising banners from local businesses and organizations.
